SECTION YEARLY MEETING BEIRUT

Saturday November 29, is the tentative date for this year's meeting. Confirmation of the date and of the meeting place will be given as soon as all arrangements are made. A full day scientific program is planned with as the central theme:

Maintaining a Healthy Mouth for Life

Call for Abstracts

Fellows who want to speak at this meeting should send an abstract of their planned lecture no later than July 30, 2008 to:

Philippe Souhaid, (President Scientific Committee)

Or

Nadim AbouJaoude (Registrar)

The theme of the Day Program can include all disciplines of dentistry ranging from pedodontics early prevention and orthodontics to Prosthetic dentistry with or without the use of implants as well as the problems of the aged.

SECTION ACTIVITIES FIRST SEMESTER 08

Apart from the study club lecture that was held in January in conjunction with the election of the Section's officers, our activities included:

- 1- A joint meeting with Tamer Holding in which the main speakers were fellows Mounir Doumit and Bassel Doughan
- 2- A trip by Immediate Past President Ali Awada and Section Editor Cedric Haddad to Jeddah in Saudi Arabia at the invitation of the Saudi Dental Society. Side meetings with fellows Youssef Talic and Ali Ehaideb, were to give fellows in District 2 a clear idea of the organization of District 2.
- 3- A Study Club meeting on May 29 at the Monroe Hotel with as a main speaker fellow Andre Sacy who lecture on Full Denture Prosthesis.
